Pete,
We had to rearrange our meeting agenda slightly. Our off-site team building exercise is now on Tuesday. The agenda as it currently stands is attached.

I am working under the assumption that you'll be joining us on Wednesday and Thursday. If that changes, please leave me a message on my voice mail (which I'll be checking).

Driving directions are also attached to the Virginia Crossings Conference Center should you need them.

Hope you had a good vacation and look forward to seeing you next week.
